UNITED STEWARDSHIP COUNCIL STATISTICS, 1932

A blank was sent to the officials of the communions named below and the statistics are from their replies. These statistics are from living donors. Interest and legacies are not included. Budget benevolences are those in the denominational national budget. Denom-

inational benevolences include budget benevolences and such other contributions as are made for denominational missionary and beneficent work outside of the budget. The statistics are for the denominational fiscal years.

The column headed "Total Gifts for All Purposes" in some cases contains gifts from living donors which were given either from non-budget denominational benevolences or for non- and interdenominational benevolences, and there is no method of dividing them.
